

Taking into account the request of colleagues, the registration period is extended until **June 30, 2018**.

Acceptance of the communications before: Julio 10, 2018

the 11th Maghreb-Europe meeting on materials and their applications for devices and sensors (**E-MRS MADICA 2018**),

held on **7,8 November 2018 in Mahdia** (Tunisia).

Organized by in collaboration between:

- * The Institute of Analytical Sciences (Lyon France)
- * The Laboratory of Interfaces and Advanced Materials (Monastir, Tunisia)
- * The Laboratory of Materials, Treatment and Analysis (Tunis, Tunisia)
- * NANOMISENE Laboratory (Sousse, Tunisia)

Supervised by :

- * « Association Tunisienne pour l'Information Scientifique » (2011 10 0241 APSF1) ATIS (Tunisia)
- * « Association pour la Promotion des Echanges Scientifiques » (JO du 07/02/90, n° 140706801) APES (France)

Main Topics:

1. *New Materials, Nanomaterials, and Biomaterials for sensor application ,*
2. *Sensors, Biosensors, Biochips.*
3. *Sensors Devices : Micronanosystem, Micronanofluidic*

The registration should be done online on the website of ATIS : <http://www.atis-tn.org>

Contact : atis@atis-tn.org ; hafedhbenouada@gmail.com

Phone : +216 98556538

Associated institutions:

University of Monastir

Looking forward to your participation,
With warmest regards,
